Offering superb ambience and peacefulness, the Wolas Villa & Spa stands amidst the dazzling Seminyak tourist resort, premier shopping destinations and entertainment venues. Designed in minimalist modern and private luxury resort, it reflects the style and elegance of Balinese culture. This emanates from the glamorous entrance gate inspired by ancient temple and Balinese miniscule garden marked with frangipani and other verdant shrubs. Here is the haven of equanimity in Bali. Hence, look no further.

Simply for your convenience, the villas have been equipped with supporting facilities like fine restaurant, spa and spacious parking lot. Besides, our villas are indeed perched at a strategic location. It is only 15-minute drive from the airport and less than 30-minute drive to destinations like Denpasar City, Golf Course and Sanur tourist resort. Even, the legendary paradise of sand at Kuta Beach is only 10-minute drive.

DISGUISED REFUGE BEHIND THE FRENZY

The frenzy of Seminyak means nothing to us. As soon as walking into the Wolas Villa & Spa, it has been conjured up into tranquility without doubt. Our villa compounds are appropriate with travelers enjoying vacation in couple or with family. In harmony with these needs, we have provided you with 16 units one-bedroom villas and 2 units two-bedroom villas. Each villa is designed in stylish interior and equipped with first-rate quality furnishings. Meanwhile, its standard feature embraces a private swimming pool, kitchenette, separate dining area and living area. Other facilities equipping them consist of 42-inch plasma TV, cable TV channel, in-room DVD player, and Wi-Fi Internet access.

Indeed, we offer you a true hospitality since you first make a reservation until you say goodbye. So, enjoy our Balinese affability in daily interaction, spacious walkway with rich greenery environment to villa, and genuinely homey living. In short, it is entirely dedicated for shrewd travelers wishing to immerse themselves in a splendid resort experience.

SPA

Two spa treatment rooms and one massage room are ready to wait for your visit. Well-trained and experienced therapists are entrusted to come up with the treatment by combining the ancient techniques and modern ingredients. Let their dancing fingers and gentle touch loose your tension. Traditional herbal ingredients in use will take back your freshness and vivacity.

DINING

CALM OASIS FOR CUISINE DELIGHT

Set on an idyllic location beside the lobby, the 40-seat restaurant overlooks a beautiful fishpond. Fizzing sound of water features will soothe the mind and enhance the appetite. It is a sanctuary of cool and calm serving your meals ranging from breakfast to dinner. Otherwise, find out a vast array of drinks and enticing appetizers on your relaxing time.

However, if you wish to rejoice in your meals at private atmosphere in the villa, simply let us know. Our butler service will handle it. No matter where you have it, you can stay to relish your delight conveniently.
